

REMARKS

The Office Action requires Applicants to elect an invention to which the claims will be restricted. The Office Action indicates the following groupings:

- Group I. Claims 1 - 19, drawn to a subcombination apparatus
- Group II. Claims 20 - 22, drawn to a subcombination apparatus
- Group III. Claims 23 - 27, drawn to a subcombination apparatus
- Group IV. Claims 28 - 29, drawn to a subcombination apparatus
- Group V. Claims 30 - 50 drawn to a subcombination apparatus

Applicants elect with traverse to prosecute the claims of Group V (claims 30 - 50). The traversal is on the basis that Claim 30 in addition to being generic to Claims 31 - 50, is also generic to the species of Claims 1 - 19. As a reminder, if Claim 30 is deemed allowable, all claims readable thereon should also be allowable.

Respectfully submitted,
FOR: BARON ET AL.;
